IN THE HIGH COURT OF JUDICATURE FOR RAJASTHAN
BENCH AT JAIPUR
S.B. Civil Writ Petition No.6409/07
M/s. Birdhi Chand Suiwal Vs. State of Raj. & Ors.

23.08.2007

Hon'ble Mr. Justice Mohammad Rafiq

Shri S.K. Singodiya for petitioner.

Heard learned counsel for the petitioner.

The argument of the petitioner is that the petitioner was initially awarded the contract for repair and maintenance of all hand pumps situated at various places in villages / towns including for providing all job / labour required for repair to make it in running condition for one year for entire sub-division of Udaipurwati and accordingly work order was also issued to him on 11.7.2007.

Suddenly, however, the respondents without any notice to the petitioner passed another order on 11.7.2007 by which work of that area i.e. Gudha Gorji section, was allotted to one M/s. Surendra Singh Shekhawat. It was argued that if the interference is not made immediately, the respondents may go ahead with allotment of the work.

In the facts of the case particularly when the matter involves appreciation of facts, instead of directly entertaining the writ petition, I deem it appropriate to grant liberty to the petitioner to make a representation to the Secretary, Public Health and Engineer Department. If the petitioner makes any such representation before him within one week, his grievance shall be

and if it is decided not to accept his representation, a reasoned and speaking order shall be passed by him within one month from the date of receipt of the representation, as to why after award of contract earlier to the petitioner, it was cancelled and alloted to another contractor.

The writ petition stands disposed of accordingly.
